

Spring and Summer Offerings

March 19 - **Entrepreneurial Rejuvenation:** This workshop focuses on the biggest asset in the company, YOU! Time and stress management, well being for the small business owner, leadership and work as self expression

May 21 - **Website Options:** Never before has it been easier to get your company's website up and running. Discover your options and how to get started. Find out about online do-it-yourself resources and have the process demystified!

June 18 - **Low Cost Marketing & PR:** Connect with your customers! 90 minutes focused on utilizing low cost e-mail tools, as well as a look at cross-business marketing, and getting free publicity

Fall Offerings

September 17 - **Compliance Conversation:** A quick overview of the foundational requirements to being a good business citizen. We will also have a resource sheet of support options at the City and State level to guide you when you have specific questions

October 15 - **Small Business Financials:** It's easy to fall into the trap of looking at financials through the eyes of the tax accountant. This workshop focuses on looking at financials through a business management lens. What couple of numbers do you need to most keep an eye on? How can you improve the health of your business through better financial management?
