***BIDA Announces JUNE Best Window Display Award Winner
HOLLYDAYS***

(Bainbridge Island, Wash.) – Hollydays, known for its well-dressed mannequin and ever changing array of seasonal gifts garnered Bainbridge Island Downtown Association’s JUNE Best Window Display Award.

Located on the Madison Avenue end of Winslow Green, Hollydays has quickly become a destination for locals and visitors who appreciate the store’s constant flow of beautifully crafted vintage inspired jewelry, handbags, luggage tags, and other gift items. Owner Holly Jacobsen, a long-time islander, works hard to change the look and feel of the store frequently so there is always something fresh and new. Holidays at Hollydays are just another opportunity for the store to bring in unique seasonal gifts and make sure there is an eye-catching outfit on the mannequin out front.

Jacobsen also makes sure that Hollydays is known as the exclusive location to carry the widest array of Matt Ellison’s brightly colored Gurgle Pots. In addition to the twenty colors already available at Hollydays, the store collaborated with Ellison to make the first-edition of pink Gurgle Pots. The first 30 will be signed, numbered and dedicated to the store, and should be in-store by early summer.

Catch Holly, Matt’s Gurgle Pots and the best assortment of seasonally changing gifts seven days a week at the east end of Winslow Way and Madison. Hollydays, 100 Winslow Way W., Bainbridge Island, Washington 98110. 206-842-5548.

Bainbridge Island Downtown Association’s Design Committee selects a new Best Window Display Winner each month, based on creativity, color, originality and display. Each January the committee will choose an annual “Best of the Year” from the previous year’s winners.

Since 1998, Bainbridge Island Downtown Association has been recognized as an accredited Main Street™ Program by the National Trust for Historic Preservation and the Washington State Department of Community, Trade and Economic Development. One of only 11 Main Street™ communities in Washington State and one of over 1,800 in the country.
